For Mobile

The image displays a wide variety of mobile phone accessories, primarily lanyards and charms. These items are arranged on a white background with large, overlapping purple circles. The lanyards are made of different materials like plastic, metal, and fabric, and come in various shapes and sizes. Many of the charms feature logos or text, such as 'OMNITEL', 'River', 'Mobile Cleaner', 'Success', and 'CLINICA BENIDORM'. Some lanyards are attached to mobile phones, while others are shown separately. The overall theme is promotional or branding for mobile devices.
